Steve reviewed the committees past actions and status. Steve would like to set a working meeting to put the position paper into an action plan. John Swan mentioned that we need to tie funding to training and that his group has already developed a resolution to not support mandatory training without appropriate funding. Mitzi had told Steve she would like to host the meeting at the OSFM. Discussion on the date and time was held. Meeting date was set for Thursday September 2<sup>nd</sup> @10a to 1p. An alternate date of September 16<sup>th</sup> was set in case the OSFM was not available.

Additional discussion was held about who our intended audience was for the position paper and action plan.

Respectfully Submitted
