

THE ILLINOIS STATE FAIR WILL BE HERE SOON.

Y'ALL COME AND MEET US ON AUGUST 15, 2009,

WE CAN USE YOUR HELP!

As in previous years we would like to have about 30 people to operate the many exhibits to be presented at the fair. Last year the Illinois Professional Firefighters teamed up with the Metropolitan Emergency Support Service and Fireman's Fund Insurance Co. employees to man the exhibits. It is a lot of hard work, but a good time was had by all. All three organizations once again have folks that would like to help. We would like to extend our sincere thanks to them. Without you we could not get this job done. To do this one day at the fair, it costs IPFA almost \$5,000.00. Without your volunteer help we could not afford to do this activity, so please feel free to volunteer if you can.

For more details please call Terry Cox at 1-847-812-5623 or the office at 1-630-833-2405.

What will you do? Some of the exhibits that you would help staff would be

- A 'Get Out Alive' Display
- Stop-Drop-and Roll
- Fire Pole for children to slide down
- 911 Center
- Inter Active Displays
- Computer Center with games to teach fire safety
- Hands on Fire Extinguisher Training for the over 7 yr olds
- A Safety Trailer
- A Puppet Show
- A Popcorn Stand
- A General Store
- Fireworks Display and more
